Janssen CarePath Savings Program for SIMPONI ARIA[®], and REMICADE[®] and Infliximab

The Savings Program provides a rebate when used with medical/primary insurance and provides instant savings when used with pharmacy/prescription insurance

If patient uses **medical/primary insurance** to pay for their medication through their doctor, treatment provider, or pharmacy, a rebate is issued:

There are 3 ways a patient can receive a rebate:

- ① Patient may assign their benefits directly to treatment provider using the Savings Program Assignment of Benefits (AOB) Form, which provider may download at JanssenCarePath.com
- ② Funds loaded onto Savings Program card. Be sure your patient calls to activate card before use
- ③ Patient may request a check to be sent directly to themselves with proof of medication payment

How it works:

Remind the patient to bring their card to every treatment appointment. The card is not a credit card.

- ① Patient receives treatment with their Janssen medication
 - Provider or pharmacy submits the claim to patient's healthcare insurance provider
- ② Patient and provider receive an Explanation of Benefits (EOB) statement from patient's healthcare insurance provider
 - The patient is responsible for submitting the EOB to Janssen CarePath Savings Program or, at the patient's direction, the provider may submit the EOB on behalf of the patient (see *How to submit a rebate request*)

NOTE: Providers must provide a copy of the Health Insurance Claim Form—CMS-1500 (HICF) or Uniform Billing Form—CMS-1450 (UB-04) with EOB submissions for rebate payments to Treatment Site
- ③ Savings Program reviews patient EOB, and issues rebate as directed by patient

If patient uses **pharmacy/prescription insurance** to pay for their medication from a pharmacy, instant savings is available:

If a pharmacy is able to process the patient's card:

- Pharmacy collects the patient's co-pay and the patient receives instant savings off the cost of their Janssen medication

If a pharmacy is unable to process the patient's card:

- Pharmacy will collect payment from patient and provide a receipt
- Patient must submit a rebate request and, if eligible, will receive a check payable to patient

Help your patients manage their Savings Program Benefits

The patient is responsible for submitting rebate request to Janssen CarePath Savings Program or, at the patients' direction, the provider may submit the rebate request on behalf of the patient. Confirm with your patient who will submit rebate requests to the Savings Program.

How to submit a rebate request

If requested by the patient, you may submit rebate requests to the Savings Program on behalf of your patient via the Provider Portal or by fax or mail.

Online:

[JanssenCarePathPortal.com](https://www.janssencarepath.com)

Fax:

SIMPONI ARIA[®]: 855-820-3224
REMICADE[®] and Infiximab: 877-234-3048

Mail:

Janssen CarePath Savings Program
2250 Perimeter Park Drive, Suite 300
Morrisville, NC 27560

Confirm with your patient who will submit rebate requests to the program—your patient or you at the patient's request.

For prompt rebate payment, we recommend you:

- Submit the patient's EOB using your account on the Provider Portal
- Check to ensure the patient's EOB indicates Janssen medication name or its J code. If information is not reflected on EOB, please include product-specific EOB Clarification Form for Savings Program with Rebate Request. This form is available for download at [JanssenCarePath.com](https://www.janssencarepath.com)
- Provide a copy of the Health Insurance Claim Form—CMS-1500 (HICF) or Uniform Billing Form—CMS-1450 (UB-04) with EOB submissions for rebate payments to Treatment Site
